Hayfever It's coming up to that time of year again for many of our pupils. Should your child suffer from hay fever please administer it at home before school as this is when it is most effective. Most hay fever tablets/syrups last for up to 6 hours and are only a twice a day dose (morning and evening). Therefore please could we ask where possible medicines are selected with 6 hours cover. We will always do our utmost to make the children comfortable.

Punctuality

A reminder that children should be in their class lines on the playground at 8.40am. After this time the classroom doors are closed and children must come through the main reception where they will be marked as 'Late'. Children should not come through the front doors before 8.40am.

Late Collections - pupils who are not collected by 3.30pm must be collected from reception.

County Basketball 20th March

A MASSIVE well done to our Year 5/6 Basketball Team who this week won the Bucks & Milton Keynes School Games competition. They played extremely well and beat Wavendon Gate by 1 point in the final. They also received the Bucks & Milton Keynes Basket ball fair play award for a fantastic sporting attitude, fair play and for encouraging each other and other teams. They were voted to receive this award by the other teams and their parents. We are all very proud of their achievements.

Wishing you all a happy Easter break....

Friends of Heronsgate

Thanks to the amazing efforts of the Friends of Heronsgate and their fantastic fundraising efforts, over the Easter Holiday work will begin to the long awaited playtrail extension. The school council and children across the school have voted to select the chosen pieces of equipment and we are all really excited to see and use the finished playtrail. Thank you to all of the school's family and friends who have supported the fundraising events and also to the Walton Community Council, who FOH approached for a donation and were delighted to receive £1500.

Parent Survey

Thank you to everyone who completed the recent parent questionnaire. We value and appreciate your feedback. Full results will be published after the Easter break. As a result of parents requesting more homework, especially maths, for the rest of this year an additional maths task linked to the current teaching will be sent home each week.
