To parents of children in Year 4

Date set: Friday 4<sup>th</sup> November 2016

Date due: Monday 12<sup>th</sup> December 2016

This term's project is based on the book *The Warrior Troll* by Rachael Lindsay. In the story two of the characters, Thom and Hildi, discover several objects inside a casket. (A casket is similar to a treasure chest.) For their project, we would like the children to make at least one of the objects from the casket. The objects can be full size or miniatures. A list of the objects is attached to help the children.

Examples of how to create items found inside the casket:

- use string or wool plaited together to make a necklace
- use hot beads/ water beads to create jewellery e.g. the silver cross
- make a sword, knife or axe head by drawing a template onto cardboard, cutting it out and then colouring or painting it.
- make silver coins by painting or colouring pieces of card and cutting them out
- make a helmet using cardboard

These are some suggestions but the children can be as creative as they like and use their own ideas.

If you have any questions please speak to your child's class teacher.
