

Year 3 Homework – Summer 1 AUSTRALIA

As part of our new topic this half term, AUSTRALIA, you have been given a selection of activities to choose from to complete for homework. You need to choose **two activities** from the selection below. This first piece will be due on **Wednesday 8th May** and the second is due on **Wednesday 22nd May**. All homework will then be shared with the class.

<p style="text-align: center;"><u>Animal Magic!</u></p> <p>Choose an Australian animal. Create a non-chronological report about your animal using subheadings like: appearance, food, habitat, babies Add pictures too!</p>	<p style="text-align: center;"><u>Famous Places</u></p> <p>Make a model of a famous building or place in Australia and write an information leaflet to go with it or create a poster advertising the place. (For example: Sydney Opera House, Great Barrier Reef)</p>	<p style="text-align: center;"><u>Fabulous Food!</u></p> <p>Find out about what food and drink Australia is famous for. Design an Australian menu and draw what the plates of food would look like with clear labels.</p>
<p style="text-align: center;"><u>Excellent Explorers!</u></p> <p>Who was James Cook? Create a poster about him showing who he was, what he was famous for and why he was such an important part in Australian history.</p>	<p style="text-align: center;"><u>Home or Abroad?</u></p> <p>Create a table comparing Australia and the UK. Think about comparing things like... Food, weather, size, population (number of people), language, money, plants, animals etc.... Where would you prefer to live and why?</p>	<p style="text-align: center;"><u>Prime Minister Persuasion</u></p> <p>Write a letter to the Prime Minister of Australia persuading them to save the Great Barrier Reef. (why should it be saved? What will happen if we do nothing? What can we do?)</p>
<p style="text-align: center;"><u>Mathematical Mayhem!</u></p> <p>Design 10 maths word problems with an Australian theme. They must use x - + and divide. Create an answer booklet to go with it!</p>	<p style="text-align: center;"><u>Radical Rocks</u></p> <p>Investigate what different types of rocks can be found in your area. Create a table to compare the rocks you find. Compare: colour, size, shape, texture, where was it found.</p>	<p style="text-align: center;"><u>Fantastic Fossils</u></p> <p>Create a science poster about fossils. What is a fossil? Draw pictures and write an explanation for how fossils are made over time when things that have lived are trapped in rock.</p>

Maths

Children need to practice telling the time and knowledge of their 2, 5, 10, 3, 4 and 8 timestables and related division facts would be highly beneficial for fractions which we will be covering in Summer 1.

Spellings

The spellings below are the spellings the children will be learning during Spring 2. It would be beneficial for the children to practice these at home as well as every day in school.

Week 1	Week 2	Week 3	Week 4	Week 5
Measure	Division	Poisonous	Invention	Magical
Treasure	Decision	Dangerous	Action	Electrician
Creature	Television	Famous	Expression	Chef
Furniture	Invasion	Various	Discussion	Machine
Picture	Confusion	Jealous	Complete	Brochure
		Serious		

dangerous

If you have any questions regarding homework please contact your class teacher.

House points will be awarded for all homework that is handed in (25 for both pieces!)

Have fun learning!

The Year 3 Team
