To the Parents/carers of Pupils in Year 6

As part of Personal Social, Health and Economic Wellbeing curriculum for Year 6 we will be covering how babies are created and born, plus peer and media pressure. We are basing the lessons around two DVD's: one showing a section containing animated sexual intercourse and the other footage of a live birth.

As a parent, you have the right to withdraw your son/daughter from these aspects of the programme of study. However, if you have any concerns or would like more information please speak to the class teacher or Mr Chapman.

Yours sincerely

*A Chapman*
