FUN SET OF REVISION CARDS FOR ENGLISH SATS EXAMS

These cards have been designed by Mrs Murphy a parent and former English Teacher.

These revision cards that are aimed at helping children remember all the technical terms and information they will need for the Spelling Punctuation and Grammar (SPAG) section of the SATS exam.

This resource was tested last year with teachers, teaching assistants and parents of year 5 & 6 children and the feedback was that they were helpful, fun to use and easy to understand.

The cards also feature colourful characters that make them appealing to children and remove some of the fear associated with the more complex technical elements that they cover.

The set is divided into four colour coded sections:

- ✓ **Words/Parts of speech** - Nouns, adjectives, verbs, prepositions, conjunctions, adverbs etc.
- ✓ **Sentences/Punctuation** - Colons, semi-colons, commas, ellipses etc. as well as information on phrases, clauses and types of sentences.
- ✓ **Figurative Language** - Similes, metaphors etc.
- ✓ **Tricky things** - Homophones, Antonyms, synonyms, prefixes, suffixes etc.

Please note: These are not full teaching materials - they are intended to help children revise the information that they have learnt in school.

Heronsgate School are very happy to be able to endorse these brightly coloured memory jogger revision cards for Key Stage 2, to help children prepare for the SATS exams.

These can be used in lots of ways.

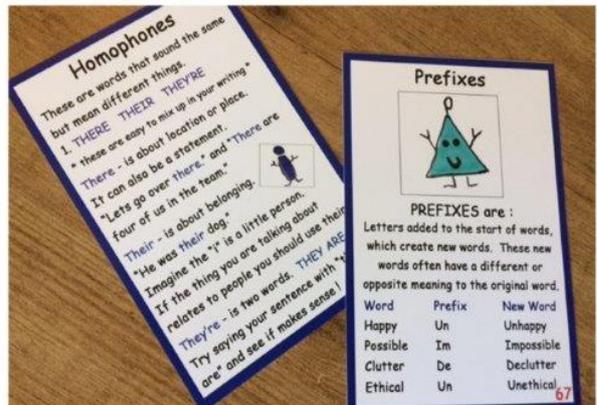

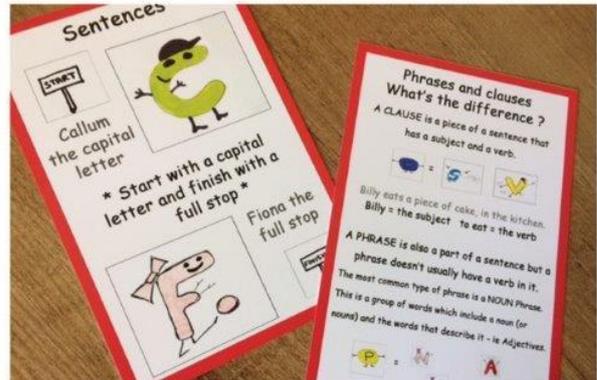

- Children can flick through them to remind themselves of certain terms, check the definition of certain parts of speech and, when doing homework or test papers, check they are getting things right.
- Parents can use them to test children on the principles that they need to know.
- Individual cards can be selected and challenges set - e.g.: form sentences using certain parts of speech or punctuation.

Available for just £14:00 per pack (which includes a £4 donation to Heronsgate)

Interested? Complete the attached form and return to Heronsgate by 16th November
