Dear Year 6 parents,

Year 6 is a special year for your child, it marks the end of their primary education and sets them on the next part of their journey to secondary school. Our role as Year 6 teachers is to prepare them for secondary school and help them demonstrate the skills and knowledge they have acquired in their primary education.

We want each child to be ready for the SATs assessment and ready for secondary school. We also want their last year in primary education to be full of experiences and memorable.

In preparation for SATs, we will be looking to support and deepen learning. We will give them plenty of opportunities to experience SATs style questions, so that they are used to the format, and we will use this assessment to identify any gaps. In our maths lessons children will be in skill sets, so that we can best match their needs. We will have 5 maths groups this year. The maths skill groups will be taught by Mrs Oubridge-Lyons, Mrs Hunt, Mr Pettit, Mr Wilson and Mrs Gardner-Potter.
